TEACHERS

while travelling the journey of life,
there is always a source of light.
Some makes the knowledge light,
some makes our sight bright.

speed of growth is too high,
But still they want us touch the sky.
The journey from here,
to the last day,
it's always the teacher,
who wants us to fly.

An open door,
with knowledge stocked,
it's teacher's trick,
to make it pick.

years pass,
the day's too,
Memory sharp,
there knowledge too,
the life of student changes,
