## Internal Quality Assurance Cell (IQAC) Student Satisfaction Survey (B.ED. Course) Year 2022-23

### Analysis Report

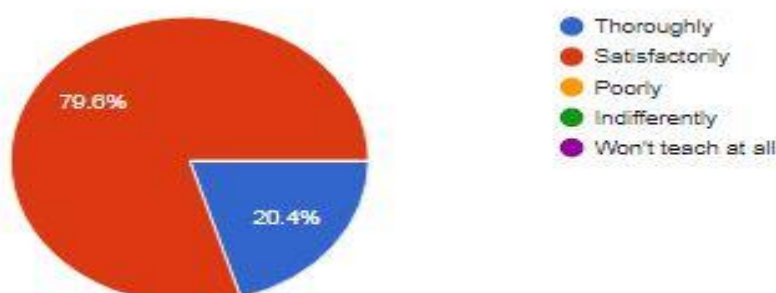

Internal Quality Assurance Cell (IQAC) of the college has continuously been working on quality improvement and the betterment of the student learning experiences. The Primary objective of Dogra College of Education is creation of knowledge and propagation for the development of academics through innovation and creation of prepared minds of students. Every year, the institute keeps vigilance over the teaching learning scenario and to make it more effective. In order to analyze the lag areas of the college and scope for further improvement, feedback from the teacher trainees has been received. The report focuses on the feedback of students on academics and administrative work provided by the college. The survey questionnaire was designed to gather students' responses their overall experience, quality of teaching and assessments, various initiatives of the college, campus facilities and services. Total 61 students were enrolled in the session 2021-23, 54 Students have given the responses on 21 questions/items including one open ended question of the questionnaire. In order to arrive at comprehensive results, useful statistical tool like has been used. For the effective presentation of the data tables and pie- charts have been used.

54 responses

Nil

Better guided internship programmes should be their Evaluation of trainer's in aspect of teaching at schools Reduce burden of assignments and TP files

Use of bi lingual method

Use of AV aids, teaching based on group discussion

More practical work

1:- more use of projectors for teaching and learning. 2:- more recruitment of students after competition of degree. 3:- demo classes for students should be there once in a week.

More practical field work should be organised

Gave more opportunities to students in co-curricular activities

Good

All Good

The teaching learning experience in the college is very good and the teachers are help in any doubts

1. Teachers should be polite sometimes. 2. Teachers should understand the student's situation. 3. Eco friendly relationship with college and students.

Every day to meditate and to have more extracurricular activities

(1) Make teaching a two way interaction. (2) To reach every student and ask for their doubts.

Good experience

Teachers are very much supportive and encourage all the students to do the best. □

Teachers was able to teaching learning experience is very effectively

(a) All the teachers have taught very well. (b) I would like to thanks, all the teaching staff of Dogra College, because I got a lot of knowledge hear.

Everything is good and well managed

Good experience of teaching

Not needed

To more encourage the students. More focus on practical learning Make teaching more interesting for students

To use more Av aids to make teaching learning process effective

1. More effective ways should be used. 2. Extracurricular activities should be included. 3.

Overall it was best.

Management of time (precious time of the students as well as teacher should not be wasted)

Teachers should be must used ICT tools.

Use of more technology while teaching. Need to complete the syllabus in time and with detail study of the topic.

1. It was very amazing 2. teaching learning experience is also very good 3. More improvement is needed in the college facility

1. There should be more technological usage. 2. Meditation should be included. 3. The teachers are easily approachable.

Satisfactory

Very good

Meditation on daily basis.

Nothing

1:- Enhance co curricular activities.

1. Encourage teamwork and group study. 2. use technology and tools. 3. In a long periods of time by taking classes that are fun and interesting.

Every thing is perfect

Use better graphics and visual media to engage students well. Try to reach every student and ask for their doubts. Make teaching a two way interaction.

Nothing all good

1. Student Teacher interaction 2. Visit and seminar offenly organized visit and seminar 3.

Good proportion theoretical and practical to planned by college

Use proper teaching aids

Good placement

All is well

1) Use better graphics and visual media to engage students well. 2) Try to reach every student and ask for their doubts. 3) Make teaching a two way interaction.

Use better graphics and visual media to engage students well. Try to reach every student and ask their doubts. Make teaching a two way interaction.

Encourage teamwork and group study

Plan and Execution of time table correctly

1. Early information about important events

Use of projectors Live models Labs

I like the student teacher interaction. They are very empowering so many activities keeps us engaging . Many visits and trips keeps us motivated and indulging.

No suggestions

1. Use better graphics and visual media to engage students well. 2.Try to reach every student and ask for their doubts. 3.Make a teaching a two way interaction .

Use Practical Method Use Student Oriented Method

### **ACTION TAKEN ON STUDENT SATISFACTION SURVEY (SSS)**

After the analysis of the student's satisfaction survey, the committee has pointed out a few grey areas where the college teachers do have scope for enhancement in the quality of education. IQAC coordinator discussed with the principal about the shortcomings and suggestions received from the students. The directions have been given to the teachers where they are lacking. The overall analysis is satisfactory.
